Regarding Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Commissioners,

I am writing to ask you to decline the APS proposal to increase the monthly service charge as well as any other unfair costs.

There is no evidence provided by APS that it needs this increase to provide services. Without any case to demonstrate a reason for a rate change I do not support their request.

Being the owner of a small business, there are many other things that could better utilize the revenue that would go to APS through this increase.

Again I urge you to vote no on the APS rate case and increased charges.

Sincerely,

Donna J. Kerr
